MARION COUNTY POLITICS.

Names of Some of the Candidates for the Several County Offices.

THE SHRIEVALTY AND CLERKSHIP

In Demand, and Plenty of Good men for the Other Offices—Scarcity of Democratic Candidates.

As the time for the republican county convention draws near it becomes apparent that there will be no scarcity of good men who are willing to accept the various positions of trust and emolument. The last legislature created a new office for Marion county, that of county recorder, the duties of which are a part of those now performed by the county clerk...

FOR SHERIFF

The struggle for this office will be the most closely contested and there is no dearth of candidates. The following are the ones we have heard mentioned: Ed. Croisan, the present deputy sheriff; Alonzo Gesner, farmer living five miles east of Salem; Thomas Hubbard, farmer living in North Salem precinct; Joe Purdon, railroad agent at Gervais; Geo. E. Good, druggist at Salem.

COUNTY CLERK

George Mack, present deputy county clerk; George A. Peables, county school superintendent; Capt. F. J. Babcock, undertaker at Salem; W. H. Donnar, of the Oregon Milling Co., Turner.

RECORDER

J. W. Spriggs, attorney at Salem; J. Benson Starr, stationer, Salem; O. A. Waller, gunsmith, Salem; Dr. S. D. McCauley, of Stayton.

COUNTY TREASURER

D. W. Matthews, druggist, Salem; O. A. Gault, farmer of Lincoln precinct; Silas Jones, miller, Stayton precinct; J. H. McCormick, merchant, Salem; P. H. Armstrong, blacksmith, Salem. Aug. Giesy, the present incumbent is also mentioned as a possible nominee, although he is making no effort.

COUNTY COMMISSIONERS

G. P. Terrell, one of the present incumbents, Mehama precinct; W. E. Hor, farmer, Butteville; A. H. Cornelius, ex-county assessor; J. N. Davis, Silverton precinct.

SCHOOL SUPERINTENDENT

George P. Litchfield, East Salem; Prof. Yoder, ex-teacher of the Silverton school.

ASSESSOR

David Simpson, of East Salem; Benton Patton, the present assessor.

CORONER

It is thought quite probable that Dr. Henderson's friends will secure for him this nomination.

An Early Season.

Notwithstanding the fact that we have passed through an unusually cold winter, vegetation is way ahead of what it usually is at this time of year. H. W. Savage, the market gardener, this morning brought in a lot of asparagus, the stalks of which were eight inches long. He says this is fully a month earlier than he has ever been able to bring asparagus in before. He also has an unlimited quantity of pea-plant and other vegetables, which usually come into the market here along in April. This is equal to California.

Will File.

The last will and testament of the late Dr. H. Carpenter has been filed for probate in the office of the county clerk. The will was made April 27, 1886, and bequeathes the greater part of the estate to his wife, Sarah A. Carpenter, who is made executrix. J. I. Thompson, D. W. Matthews and Sampson Jones have been appointed to appraise the property.

Delegates Elected.

At a meeting of Cheumekete Lodge No. 1, I. O. O. F. held last night, George H. Burnett, J. J. Murphy and Dr. W. H. Byrd were elected representatives to the Grand Lodge which meets in Portland on the 17th day of May next.

REAL ESTATE TRANSACTIONS.

The following deeds were recorded in the office of the county clerk during the past week: Amer Wood, administrator of estate of Geo. W. Schell, deceased, to Wm. R. Anderson, 160 acres in T. 9 S., R. 2 E.; \$177.18. A. J. Judy to T. F. Smith, S. E. 1/4 of block 6, Roberts' addition to Salem; \$10. John M. Metzler to P. H. Ewell, 9 acres in T. 10 S., R. 3 W.; \$400. Samuel Brown and wife to O. P. Randall, 66.37 acres in T. 7 S., R. 2 W.; \$3200. J. C. Thompson and wife to I. J. Price, right of way; \$2. F. Scharlach, 100 acres in T. 6 S., R. 1 W.; \$1700. P. H. Ewell and wife to John Wied, 120.93 acres in T. 10 S., R. 2 and 3 W.; \$1225.

The Silverton and Dallas stages are making excellent time on their trips now, both arriving here over an hour before schedule time. The roads are getting in good condition for travel. Attorney S. T. Richardson left this morning for Mehama to act as attorney for the defendant in the action at law brought by Jacob Sigmund against N. Wagner. He will probably return Saturday.

The Typographic Work.

One of the neatest pieces of typographic work we have recently seen is the eight page programme of the teachers' institute for the third judicial district and Polk county, to be held at Dallas on the 3d, 4th, 5th, and 6th of April. The work which is finished in four colors and is artistic in every respect, was done by the force in State Printer Baker's office.
